#### Committee Reports

A list of charges for the committees was distributed and comments solicited.

#### Trails:

- Bill 196, which was concerned with liability issues, passed.
- The committee plans to examine how we can work with the county on the trail project
- Discussions with Dallas Bray about the trailhead are continuing.
- The Bridle Trail representatives will begin contacting property owners and display a draft of the trail at the next meeting.
- Anna brought up the possibility of cooperation with the Horse Network, which would include a county-wide tag system,
- There is a need to contact LaFarge about possible funding for the project.
- Chuck reported on the meeting with representatives from Indian Hill and expressed reservations about the multi-use nature of the trail. The idea is to keep the walking trail in front of the houses. A loop including Upper Tug Fork, Lower Tug Fork and Four Mile was proposed.
- Discussion of allowing casual bike riding on the walking trail was held.

- Plans for the walking trail need to be discussed with regard to plans to widen Four Mile.
- A proposal was made to send a note to all affected property owners and present the trail idea at the Memorial Day Picnic with a more formal presentation later.

Historic Homes:

The landscaping for the sign at the AA Highway is long overdue.

On the second Tuesday in May, there will be a public hearing on the Comprehensive Plan. Materials are available on-line. Camp Springs is listed as Mixed Rural Use.
