## **Sewer News**

Many residents of Camp Springs have been wondering if the pipes being laid along Route 547 from the fairgrounds north are related to the force main sewer project. The answer is no. The pipes being laid are water pipes.

## **Community Comes Together for Local Road Clean Up**

On April 5, 2014, community members from CSI, Misty Ridge Farm and Bishop Brossart High School's Beta Club joined forces for the biggest road clean up in the history of the local Adopt-A-Highway program. Thanks to sixteen volunteers, roadside garbage from close to six miles of area roads was removed and bagged. After the event the road department picked up thirteen bags of refuse. While the volunteers enjoyed each others' company and were glad to serve the community, they would like to encourage others to take pride in our community and dispose of garbage responsibly.

Please consider helping with the next Adopt-A-Highway event, which will spruce up our roads before this year's Herbst Tour. *We will meet at 10 a.m. on October 4 at the Camp Springs Bed and Breakfast.*

## **Celebrate Camp Springs Day July 12<sup>th</sup> at Camp Springs Vineyard**
