

CAMP SPRINGS INITIATIVE
Meeting of CSI Officers
January 3, 2008
Minutes

The officers of the Camp Springs Initiative met on January 3 at Nancy Enzweiler's home. Carolyn Allender, Lonnie Enzweiler, Nancy Enzweiler, Chuck Heilman and Don Wiedeman attended the meeting.

Carolyn Allender began the meeting by asking about the concerns of the officers. Chuck Heilmen expressed the opinion that Trail Committee focus on its task alone. Don Wiedeman reported on the work of that committee and on its plans. Those plans call for addressing the issues of liability and tax advantages and meeting with the mayor of Silver Grove and a representative from Bray Trucking. When the issues of liability and taxes have been resolved, meeting with landowners will commence. Chuck suggested that we discuss the situation with the County Attorney.

The meeting continued with a report from Lonnie Enzweiler that there are \$503.71 in the treasury.

In order to solicit board members and others to participate in CSI's committee structure, Nancy Enzweiler will contact first the board members and then other interested parties concerning committee membership. Carolyn Allender will supply contact information for interested community members.

The officers decided against participation in this spring's Wine Festival.

Don Wiedeman suggested that CSI could become a dues-paying organization to promote a sense of belonging.

Carolyn Allender reported that the *Campbell County Recorder* is interested in reporting on CSI's activities.

The officers will meet on February 21st at 6:30 at Chuck Heilman's house. There will be a board meeting in March. Nancy Enzweiler will poll the board members for their preference in meeting times.

Respectfully submitted,
Nancy Enzweiler, Secretary
