Campbell County Historical Society News

The 2nd printing of our newest publication, *One Day In Campbell County* has arrived and is available for sale. This was such a fun project to produce. In the early part of 2019, we posted notices for photographers, amateur and professional, to participate in a book project. Sixty photographers responded and spent the entire day on Saturday, April 27, 2019, taking pictures of every inch of our County. They submitted over 1,900 photographs and we compiled them into this book.

The finished product is a full color, 260 page, hardcover book printed on high quality photo paper. This is a book you will want to share with others and pass down from generation to generation. It makes a great Father's Day gift. Books are \$35 each (cash or check) and you can get your copy at Pelle's Café in Silver Grove, 27 Strands in Alexandria, or at the Campbell County Historical Society Office in Alexandria.

The Historical Society is resuming regular meetings on June 10 at 7 p.m., when we will gather at the Peace Bell in Newport.

Our campaign to raise funding for a new location continues. We are working with the City of Silver Grove and Southbank Partners to build a museum and library that are convenient and accessible to everyone in the county, and that will become a point of interest on Riverfront Commons, the walking, running, biking path that Southbank Partners is creating from Ludlow to Penderly Park. For more information or to learn how you can donate to the cause, please call the Historical Society office at 859-635-6407.

The Historical Society office is at 8352 E. Main St. in Alexandria on the 2nd floor of the courthouse. The phone number is 859-635-6407 and the e-mail address is campbellhgs@gmail.com. The library, museum and office are open on Tuesdays from 10-5 and Thursdays and Saturdays from 10-2. We are open to the public and welcome visitors.

Adopt-A-Highway Update

Camp Springs Initiative (CSI) has a contract with the highway department to pick up trash along a two-mile stretch of Four Mile Pike twice a year. The last road clean-up was held on April 17th. Six dedicated community members collected eight trash bags full of refuse that day. If you are interested in helping, there will be another Adopt-A-Highway date in the fall which will be announced in the *Camp Springs News*.

A Letter from Preserve and Protect to our Neighbors in Camp Springs and Surrounding Areas

The members of Camp Springs Preserve and Protect wish to extend our greetings and make a few announcements. Recently we have benefited from an expansion of new volunteers with a renewed mission to help PRESERVE and PROTECT our community. At its core, we believe this begins by simply getting to know each other. Over the years as people come and people go, it's easy to become a bit detached from the very neighborhood you live in. We hope you will consider joining us in our mission to be more intentional at reaching out to our neighbors. In time, we intend to host various events that will both allow us to get to know each other better as well as provide something of practical use or educational value. Examples of such events we are discussing are topics such as disaster preparedness – think supplemental power options, water filtration and food preservation, knowing our US Constitution and how to take action to make our voices heard. We simply want to be an organized resource for the community to promote and advance a stronger and more unified Camp Springs.

To that end, we ask those in our community that are elderly or disabled to consider sending your information to us so that in the event of catastrophic event, we would know how to contact you as good neighbors checking in. *Please contact us via our Facebook Page @preserveprotectcampsprings where you can also find information on future events.*

Additionally, we are hosting a Constitution Boot Camp on August 28th, 2021. *Details are available by contacting jim@buildingblocksforliberty.org or ryanroedersheimer@hotmail.com. Attendance is limited to 40 people so please sign up quickly.*

News from St. Joseph Pre-K

St. Joseph Camp Springs Pre-K still has a few spots open for 3 and 4 year olds for the 2021-2022 school year. If interested, please e-mail Lisa at Iroetting@saint-joseph-school.org as soon as possible. You can also contact Lisa about full and part time employment opportunities that are available.

The Outdoor Learning Center was awarded a \$1,000 grant to plant native shade trees for additional shelter from the sun. The children will participate in the planting and care of the trees. The funding is sponsored by the Campbell County Conservation District through the Mary Kathryn Dickerson Education Grant.
